OFFICER LIST

DIRECTOR'S CORNER

Hello everyone.

It was great to see everyone that showed up for our January chapter meeting. I'd like to welcome our new members: Byron Krogstadt, Gretchen Froelich and Michael Gilbert to the chapter. I would like to say thank you to the outgoing officers for their dedication to this chapter. I want to give a special thank you to Troy Skelton for all the years he has spent serving this chapter as an officer. It's that type of dedication that makes this such a great chapter.

I want to thank everyone that voted for me to be your director for the next couple of years. I'm looking forward to the upcoming riding season and all the fun and the good times to be shared. Looking to the year ahead, all of us officers are working to create a busy and fun riding season.

Our goal is to increase member participation and new membership by providing several opportunities for you to be involved in. Such as our restaurant challenge, Harley-Davidson dealership challenge, Washington State scenic/landmark challenge, The most mileage challenge, Chapter member participation challenge and our Chapter membership challenge. In addition to all of this, we have several rides/events being planned for the 2025 riding season. If you want to know more, come see us at our Columbia River HOG Facebook page or at our website: columbiariverhog.net/events. See everyone on the road!!

Sincerely,
Steve Serafini
CRH Director
